Deep and bright  
or delicate and fogged, the  
new proposals of the collection  
enrich the shades  
of the colours palette.  
A swarm of decoratives  
that exalt each tone  
feature and develop  
endless projects.

Colour always meets new textures.  
 An elegant range to create curious and harmonic weaves.  
 With its dazzling flashes, Fluo fills the glance and awakens the attention even with a single detail.
